

The escrow process.

Attorney-managed escrow for online business purchases, sales, and other closings.

Prepare

STEPS 1 TO 4

1

Introductions

We are introduced to both parties to begin.

2

Deal documents

Send the LOI or draft or executed purchase agreement.

3

Escrow agreement

We draft the escrow agreement. We send it for review.

4

Signatures

Once approved, we send the escrow agreement for electronic signatures.

Fund

STEP 5

5

Funding and transfer of assets

Buyer funds escrow. We confirm receipt. The parties may then begin transferring assets.

Release

STEPS 6 TO 7

6

Release instructions

Once release is approved, we send release instructions for review and signature.

7

Disbursement

After signatures and wire verification, accounting releases funds. We confirm.

Licensed M&A attorneys hold and release funds

We verify every recipient's wire instructions by phone before release.
